Wilderness First Aid Training

Saturday, January 25, 2025, 8am - 4pm

With an ASHI Wilderness First Aid class, first aid providers in a remote outdoor setting will be better prepared to respond with wilderness first aid training when faced with limited resources, longer times to care for someone, and decisions about when and how fast to evacuate an ill or injured person.

Scouting For Food

Saturday, February 1, 2025, 8am - 4pm

Scouting America's annual Scouting for Food service project is a heartwarming demonstration of the Scout Oath and Law in action. Every year, Scouts across the nation come together to collect non-perishable food donations for local food banks, helping to combat hunger in their communities. This year Scouting for Food will be on Saturday, February 1, 2025, so we can continue to make a significant impact, embodying the values of service, kindness, and community spirit that are at the core of Scouting.

Distinguished Eagle Scout Award Class of 2024

Congratulations to George Kuntz for receiving the 2024 Distinguished Eagle Scout Award (DESA)! A practicing attorney in Las Vegas, George's inspiring journey includes being a consensus All-American football player at Notre Dame in 1968, a second overall pick in the 1969 NFL Draft, and a seven-time Pro Bowl selection with the Atlanta Falcons and Baltimore Colts. Beyond his sports career, he co-founded the Ronald McDonald House in Las Vegas and dedicated years to coaching high school football. The DESA honors Eagle Scouts who achieve national prominence while staying committed to community service. George's legacy is celebrated for his impact on both sports and his community.

Reminder: Mandatory Hazardous Weather Training

In 2017, Hazardous Weather Training was made mandatory; however, it has not been reflected in the training reports. Effective the week of December 2, 2024, this training will be reflected in those reports. This initiative is part of our ongoing commitment to ensuring the safety and wellbeing of all our members and youth.

The training is designed to equip you with the necessary knowledge and skills to handle adverse weather conditions, thereby enhancing our preparedness and response capabilities during scouting activities. Please reference the [S.A.F.E checklist](#) for all activities. To learn more about safety training, please visit the [Health and Safety website](#).

Safety Moment/ Did you Know

Be Prepared. First aid kits.

In summary all Scouts and Scout leaders—as representatives of an organization whose motto is "Be Prepared"—should be sure they are always ready with an appropriate first-aid kit when it's needed. Your kit might be simple or more complex if you are trained to use it properly. But the kit must always be on hand and stocked with every essential item. Please watch the informational video linked below.
